Choose two of the above types of gladiators.

Thoroughly investigate the clothing, armor and weapons of each gladiator.

Create realistic figures of each gladiator. Use any materials you can find. Paper, cardboard, material, tin foil, clay, etc.

Create a scene of the figures fighting each other.

Include a placard for each gladiator figure describing what type of gladiator it is, and a description of the type of armor, clothing and weapons that this gladiator commonly used.

Project will be graded on accuracy and overall display of effort.
